## Fund Performance

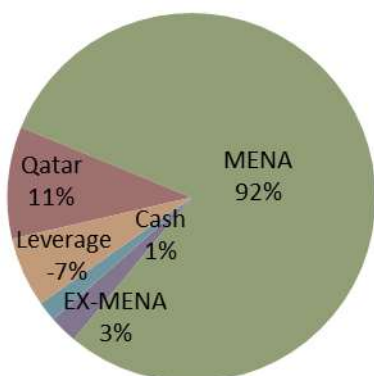

In May, the Fund decreased by c.0.4% MoM; since Inception the Fund is down by c.0.3% and Year-to-Date the fund is down by c.0.5% while focusing primarily on capital preservation as well as robust yield generation.

The Fund will achieve diversification by investing in a basket of quality sukuk with various maturities, various risk/returns, yield and rating profiles, from a variety of issuers globally. Investors should be aware that an investment in the Fund involves a high degree of risk and is suitable only for investors who fully understand and who can bear the risks of such an investment for an indefinite period and who can afford a total loss of their investment.
